Decision of the Examining Division of the European Patent Office posted on 3 January 2018 refusing European patent application No. 02290839.6 pursuant to Article 97(2) EPC.

Summary of Facts and Submissions

I. The appeal is directed against the decision of the Examining Division of 3 January 2018 to refuse European patent application 02290839.6.

II. The appellant filed a notice of appeal on 5 March 2018 and paid the appeal fee on the same day.

III. By communication of 28 June 2018, received by the appellant, the Board informed the appellant that it appeared from the file that the written statement of grounds of appeal had not been filed, and that it was therefore to be expected that the appeal would be rejected as inadmissible. The appellant was informed that any observations had to be filed within two months of notification of the communication.

IV. The Appellant did not file observations in response to the communication.

Reasons for the Decision

No written statement setting out the grounds of appeal was filed within the time limit provided by Article 108, third sentence, EPC in conjunction with Rule 126(2) EPC. In addition, neither the notice of appeal nor any other document filed contains anything that could be regarded as a statement of grounds pursuant to Article 108 EPC and Rule 99(2) EPC. Therefore, the appeal has to be rejected as inadmissible (Rule 101(1) EPC).
Order

For these reasons it is decided that:

The appeal is rejected as inadmissible.
