Formalities Officer

The Burmah Group is a major British industrial enterprise with a turnover of £1.5 billion. Our wide-ranging activities include oil exploration and production, the marketing of lubricants and fuels, retailing and distribution, speciality chemicals, shipping, and an investment division.

In this newly-created position in our Group Patents department at Pangbourne, in the attractive Berkshire countryside near Reading, you will provide a comprehensive formalities and diary service to a small team of Patent and Trademark Agents.

You should have a detailed knowledge of patent, trademark and registered designs forms in the UK

and key foreign countries, and a working knowledge of the formalities of the rest of the world. Ideally, you should have at least 5 years' experience in this type of work in industrial or private practice. A knowledge of appropriate computer systems would be an advantage.

The highly competitive salary will be accompanied by attractive large-company benefits.

Please send a full cv, or ring or write for an application form to: Mr R J Doncaster, Recruitment Officer, Burmah Oil Trading Limited, Burmah House, Pipers Way, Swindon, Wiltshire SN3 1RE, England. Telephone: Swindon (0793) 47400.

PATENT SPECIALIST

Sandoz Ltd., a major international company in the pharmaceutical, dyestuffs, agrochemical, foods and other areas has an immediate vacancy for a patent specialist in its Patent and Trademarks Department. This department, which includes a number of qualified patent practitioners, is responsible for the worldwide patent and trademark activities of the Sandoz group of companies.

We are seeking an able and adaptable person to handle a wide range of work primarily in the pharmaceutical area. The ideal candidate will be aged under 35, have a degree in chemistry, biochemistry or a related science and will have had some years of patent experience, preferably in the pharmaceutical industry. Fluency in written and spoken English is required. Knowledge of German would be advantageous but is not essential.

The post will be located either at headquarters in Basle, or at the branch office of the Patent and Trademark Department in Lörrach, W. Germany (10 km from Basle). Working conditions are extremely pleasant and informal and the company offers attractive salaries, pension and insurance. Relocation expenses will be met.

Following initial interviews, short listed candidates will be invited to Basle for further discussions and the opportunity to meet prospective colleagues.

Please write with brief personal details, including education, qualifications and experience to:
